Services For the Professional Race Driver

Driver Purchased Temporary Total Disability (TTD) and Permanent Total Disability (PTD) Coverage

Worldwide 24 hour coverage on and off the track with varying deductibles and multi-year policy terms.

Pays benefits on a per race missed and/or weekly or monthly basis to a Professional Race Car Driver who, due to an accidental bodily injury or sickness or disease, is temporarily or permanently disabled as a Driver.

Temporary Disability benefit periods can extend to sixty (60) months. Permanent Disability benefits are paid in a lump sum to replace future loss of income. These coverages are available on a stand alone basis or can also be combined to increase the Driver's overall sum insured.

Team Purchased Temporary Total Disability and Permanent Total Disability Coverage

Reimburses a team for any obligations owed to a Driver if he/she suffers an accidental bodily injury or sickness or disease that temporarily or permanently prevents him/her from participating as a Driver.

Coverage offers 24 hour worldwide protection on and off the track with varying deductibles and multi-year policy terms.

Temporary Disability benefits are paid on a per race missed and/or weekly or monthly basis up to sixty (60) months. Permanent Disability benefits are paid in a lump sum. These coverages are available on a stand alone basis or can also be combined to increase the overall sum insured on the Driver.
